DATE: July 16, 1984

MATTER OF: Integrity Management International, Inc.

DIGEST:

Protest against specifications is academic and will not be considered by GAO where agency cancels solicitation containing the specifications.

Integrity Management International, Inc., protests the terms of invitation for bids (IFB) No. DABT35-84-B-0015, issued by the Department of the Army for food services at Fort Dix, New Jersey. Integrity, the incumbent contractor, contends that the Army has included in the solicitation a non-standard clause deviating from that required by the appropriate procurement regulations and subjecting the contractor to the risk that it might not be paid for some of the work performed.

However, the Army has advised us that the IFB has been canceled. Accordingly, the protest is academic and we will not consider it. Synergetics International, Inc., B-212553, Oct. 3, 1983, 83-2 CPD ¶ 405.

The protest is dismissed.
